## Cardiff and Vale of Glamorgan Area Plan for Care and Support Needs (2023-28)

The new Area Plan for Care and Support Needs is currently under development.

## Natural Resources Wales - Corporate Plan (2023-2028)

NRW are currently developing their Corporate Plan 2023-2028, which is due to be published at the end of March 2023.

### NRW's Vision:

Nature and people thriving together

### NRW'S Mission:

We make a difference by targeting our action to:

- the recovery of nature
- the resilience of communities to climate change
- the prevention of harmful pollution

### Well-being Objectives to 2030

By 2030 in Wales:

- nature is recovering
- communities are resilient to climate change
- harmful pollution is prevented

In 2020, NRW published their second [Statement of Natural Resources Report \(SoNaRR\)](#), an assessment of Wales' sustainable management of natural resources, including Wales' impact globally. Complimenting this, in 2020, NRW published an [Area Statement for South Central Wales](#), outlining the key challenges facing the area, what we can do to meet those challenges and who we can better manage natural resources for the benefit of future generations. It is also pertinent to note that the Cardiff Local Nature Partnership will be publishing a Local Nature Recovery Action Plan for the city.

Nationally, Welsh Government published a [Nature Recovery Action Plan in 2015](#), setting out the commitment to reversing the loss of biodiversity in Wales. The [Action Plan was refreshed](#) for 2020-21 to provide focus and prioritisation within the emerging ecological crisis.

## Cardiff Council - Stronger, Fairer, Greener Strategy 2022

The ambition is to make Cardiff:

- **A stronger city**, with an economy creating and sustaining well-paid jobs, with an education system that helps our young people reach their potential, with good, affordable housing in safe, confident and empowered communities, all supported by well resourced, efficient public services.
- **A fairer city**, where the opportunities of living in Cardiff can be enjoyed by everyone, whatever their background, where those suffering the effects of poverty are protected and supported, where a fair day's work receives a fair day's pay, and where every citizen is valued and feels valued.
- **A greener city** which, through our One Planet Cardiff programme, takes a lead on responding to the climate emergency, which celebrates and nurtures biodiversity, with high-quality open spaces within easy reach for rest and play which are connected by convenient, accessible, safe sustainable transport options.

**Corporate Plan 2023-26:** Cardiff Council is proposing to adopt the same seven Well-being Objectives as those in Cardiff Public Services Board's Local Well-being Plan.
